Director of Personnel

SUBJECT : Termination of CIA-sponsored Military Reserve Program

The purpose of this memorandum is to advise that this Agency is discontinuing its Military Reserve Program which we have sponsored since the 1950's. A recent internal study revealed that our requirements no longer justify retaining such a program and we plan to disestablish it with ^{A proposed} ~~completed~~ phase-out ^{of} ~~by~~ 1 October 1982.

For your information, we are providing the unit designations and our military contacts for those units. We are requesting each reserve center to transfer our reservists to outside units as efficiently and discreetly as possible. We also request that you advise the focal point officers of our plan to discontinue our Reserve Program.

Please feel free to contact Chief of Military Personnel Branch, if you have further questions concerning this matter.
